piab Evolving automation

Item no: 3150198

Fitting 1/8" NPSF female, 50, PA

A variety of fittings for suction cups.

- Made of PA (Polyamide).
- Can be used on a number of Piab's suction cups in sizes from 20 to 50 mm.
- The weight of the composite fittings is approximately half the weight of corresponding fittings of aluminium.
- The fittings are durable and resistant to the most common acids and chemicals. They can be used in
 applications where aluminium cannot be used due to environmental issues, for example, in the chemical
 industry and the food industry.
- Suits suction cups: B50, B50-2, BL50-2, B50MF, D50, F50-2, U50-2
